STUDENT CONFERENCE

Exhibiting your ideas, skills and visual work publicly is a time honored tradition. It declares your professionalism and dedication. It impresses friends, family and prospective employers. It makes a great addition to your resume.

Presenting your ideas clearly is a must have career skill. Sharing your ideas demonstrates a unique confidence and passion about the knowledge you have worked so hard to attain.

Students who submit work to the Student Technology Conference also become eligible for one of the many prestigious School of Technology departmental awards.

DIGITAL VISIONS

The Digital Visions exhibition is an opportunity to display your achievements visually. The exhibition takes place in the Westminster Technology Conference Center in the School of Technology. Digital Visions opens on Monday, May 8th.

POSTER SESSIONS

Poster Sessions are 15 minute sessions to explain or present your work to an audience. Poster Sessions are live and will take place throughout the School of Technology on May 12th.
